“The Low Down on the Lay Down”

- *Are there ethics to porn?*
- Exploitation of people in the porn industry, low wages, being stuck in the industry
- Why does lesbian porn not actually look like lesbian sex?
 - Feminist Porn... more representation of diversity, less exploitation, better treatment of workers
 - Feminist porn often costs a few bucks a month, but the money is necessary to pay the performers
- **Don't be ashamed by what porn you watch, this is meant to inform, not make you guilty!**

Sex and Sexuality

In-depth information on the wide array of human sexualities, sexual lives and sexual choices.

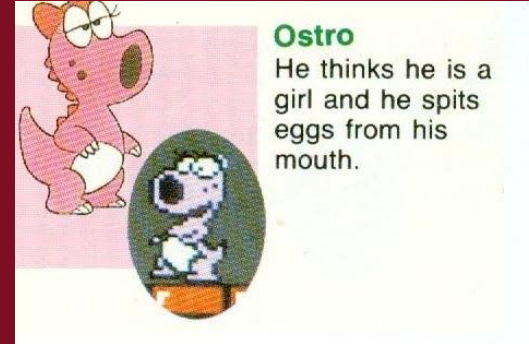

Feminist Porn Sites...

- [Veg Porn](#) - “Only vegetarian and vegan models, very inclusive of gender and sexual diversity, including queer and trans models, woman-owned”
- [Indie Porn Revolution](#) - “Self-proclaimed “radical porn,” inclusive of all natural body types and embraces queer and transfolk”
- [Good Dyke Porn](#) - “All lesbian, bisexual, queer women and transfolk artists and safe sex is eroticized”
- [Erotic Red](#) - “Homemade sexy, natural, & fun menstruation porn created by a variety of hot models of all shapes and styles on their periods”
- [Scarleteen](#) - *a great resource for sex education for people of all genders, sexualities, identities and ages... highly recommended!*
